ACUSTRIP®

IMMEDIATE RESULTS FOR MAXIMUM PERFORMANCE

ACUSTRIP'S patented diagnostic test strips identify coolant quality and contaminant levels that will lead to increased product sales and profits. Fleet managers maximize coolant life, reduce breakdowns and operate more efficiently with regular use of Acustrip Heavy Duty Coolant Test. Used and trusted by Ford, Caterpillar, Cummins, Firestone, Kawasaki, Mercedes, Sears, Toyota, to mention a few. ACUSTRIP is the unrivaled leader in Coolant Diagnostic Testing.

- Test Results in Less than a Minute
- No Special Tools Required
- Low Cost per Test
- One Coolant Strip for all Tests
- All Glycol Types
- Accurate & Conclusive Tests

#1550 AUTOMOTIVE COOLANT DIAGNOSTICS

Detects Freeze Point, Reserve Alkalinity, Boiling Point, and pH

- ☑ Automotive
- ☑ Light Trucks
- ☑ Stationary Engines
- ☑ Motorcycles
- ☑ Watercraft
- ☑ Light Engines

70 Coolant Strips/Bottle . 12 Bottles/Case

#2050-4 HEAVY DUTY COOLANT DIAGNOSTICS

Detects Nitrates, Molybdates, % Glycol, Freeze Point, and pH

- ☑ Trucks
- ☑ Heavy Duty Engines
- ☑ Generators
- ☑ Construction Equipment
- ☑ Mining Equipment

50 Coolant Strips/Bottle . 12 Bottles/Case
