46605 3-Way John Deere Coolant Test

Acustrip's 3-way test strip provides a fast and simple solution for testing John Deere Extreme OAT's Extended Life Coolant. Test your coolant frequently to protect against liner pitting, corrosion and coolant dilution. 46605 also measures the level of Glycol, pH and OAT.

The Specific ranges are as follows:

- Glycol 0 - 70%
- pH 11 - 6
- OAT 60 - 100

Results are obtained within two minutes with a simple dip and read technique.
