ACUSTRIP®

IMMEDIATE RESULTS FOR MAXIMUM PERFORMANCE

ACUSTRIP'S patented diagnostic test strips identify coolant, brake and DEF quality and contaminant levels that will lead to increased product sales and profits. Fleet managers maximize coolant life, reduce breakdowns and operate more efficiently with regular use of Acustrip Tests. Used and trusted by Ford, Caterpillar, Cummins, Firestone, Kawasaki, Mercedes, Sears, Toyota, to mention a few. ACUSTRIP is the unrivaled leader in Coolant and Brake Fluid Diagnostic Testing.

- Test Results in Less than a Minute
- No Special Tools Required
- Low Cost per Test
- One Coolant Strip for all Tests
- All Glycol Types
- Accurate & Conclusive Tests
