ACUSTRIP TO EXHIBIT AT AUTOMECHANIKA UK JUNE 6 – 8, 2017

Jan 1, 2017 (Denville, NJ) Ron Schornstein, President and Founder of Acustrip today announced that Acustrip will exhibit at Automechanika Birmingham UK in support of its distributors.

About Acustrip

Founded in 1987, Acustrip Company has a well-deserved reputation as the manufacturer and provider of the worlds best coolant test strips. Acustrip also manufactures diagnostic test strips for brake, power steering, water quality and Diesel Exhaust Fluid. Acustrip currently manufactures products for OEM distribution and has been approved by major auto and equipment manufacturers.

The Acustrip name is renowned worldwide for the quality dip and read diagnostics that provides convenience and accuracy for on site evaluation of fluids. Acustrip has become the choice solution for quick on site testing and the source of test strips for fleet managers, DIYers professional service providers, and major service centers and labs around the world.
