ACUSTRIP PRODUCT LABELS

ACUSTRIP Company, Inc., in a program of continuous improvement, is upgrading the ACUSTRIP Product Labels.

The new and improved labels are made with PVC application, eliminating the occasional dog ears of the label corners, and sitting completely on the bottle. The label glossiness, as well as the CMYK color reproducibility and definition, is much improved.

For more information and product sales, please contact Ron Schornstein, President and CEO, at (973) 299-8237 or RonS@Acustrip.com.
